Dear Valued Customer,

In these uncertain times we have become aware of the increasing prevalence of online phishing emails and scams from bad actors who will exploit the current situation for fraudulent gain. It is during these times that it is important for everyone to maintain vigilance and good internal controls to prevent such actions succeeding.

As part of the vigilance we wanted to re-confirm to all our customers that Pact Group has not made any changes to its bank accounts for any of its subsidiary companies (listed below). Customers should continue to make payments to the existing accounts that are set up in your systems.

Should you receive an email advising you of a change to a Pact Group bank account please DO NOT make the change. We kindly ask that you contact our Group Shared Services Manager below and suggest that you also refer it to your IT department to investigate its origin.

If you wish to discuss the above please contact:

Raj Bhana
Group Shared Services Manager
Phone: +64 7 959 4653 or +64 21 370060
Email: Raj.Bhana@pactgroup.com

Yours sincerely
